1480

Dear Dr. Turley:

Based upon your Interview with the Board of Osteopathic Examiners in Medicine and Surgery on June 29, 1995, the Board voted to **TERMINATE your probation, effective September 19, 1995.**

I apologize for the delay in providing this letter to you, but was not the Executive Director until July, 1995 and was unaware that you had never received documentation regarding this matter until today.

On behalf of the Board and the staff I would like to congratulate you on this achievement, and thank you for your cooperation during your term of probation.

Sincerely,

  
Ann Marie Berger  
Executive Director
